EXAMINER INTERVIEW SUMMARY RECORD

All participants (applicant, applicant's representative, PTO personnel):

- (1) Daniel N. Yannuzzi, # 36727 (3) _____
(2) Mark Rinehart, USPTO (4) _____

Date of interview 2/22/98Type: ☒ Telephonic ☐ Personal (copy is given to ☐ applicant ☐ applicant's representative).Exhibit shown or demonstration conducted: ☐ Yes ☒ No. If yes, brief description: _____Agreement ☒ was reached with respect to some or all of the claims in question. ☐ was not reached.Claims discussed: 1-43Identification of prior art discussed: Logan et al., Richardson et al. of record.

Description of the general nature of what was agreed to if an agreement was reached, or any other comments: Applicant characterizes Logan et al. as kiosk with limited local stored URLs and only limited Internet URL access. Further, Richardson et al. uses a tour prescript w/o tour guide interaction. Applicant contrasts invention which uses pilot selected pages that are rewritten by a separate control site and sent to passengers as tour guide makes selections. Examiner will consider this with regard to prior art.

(A fuller description, if necessary, and a copy of the amendments, if available, which the examiner agreed would render the claims allowable must be attached. Also, where no copy of the amendments which would render the claims allowable is available, a summary thereof must be attached.)

Unless the paragraphs below have been checked to indicate to the contrary, A FORMAL WRITTEN RESPONSE TO THE LAST OFFICE ACTION IS NOT WAIVED AND MUST INCLUDE THE SUBSTANCE OF THE INTERVIEW (e.g., items 1-7 on the reverse side of this form). If a response to the last Office action has already been filed, then applicant is given one month from this interview date to provide a statement of the substance of the interview.

☒ It is not necessary for applicant to provide a separate record of the substance of the interview.

☐ Since the examiner's interview summary above (including any attachments) reflects a complete response to each of the objections, rejections and requirements that may be present in the last Office action, and since the claims are now allowable, this completed form is considered to fulfill the response requirements of the last Office action.
